The Global Equity Organization (GEO) is an international, not-for-profit membership organization, designed to support corporate executives and equity compensation professionals dealing with the challenges of creating, managing and administering quality stock plan programs — for one country or across the globe. Founded in 1999, GEO includes more than 3,800 individual members representing nearly 2,000 companies and professional firms in 63 countries. GEO will debut its National Equity Compensation Forum in Scottsdale, Ariz., Sept. 14-16, 2011.
