

## HIPAA Privacy QuickStart Guide for Employers

### The Smart Solution for Employer HIPAA Compliance

- **Easy to Read**
- **CD Included**
- **Affordable**

*"We were going to develop a book ourselves, but once we saw the book from HIPAA Solutions, we decided to buy it ... and make it available to all of our members as well. "*

About Us: HIPAA Solutions is a specialist in HIPAA compliance, helping organizations to navigate HIPAA regulations and put them into practice.

#### Overview

The QuickStart Guide was prepared by HIPAA Solutions Rx for employers with a lighter compliance burden to give you the best chance of quickly and easily becoming compliant with the HIPAA Privacy Rule.

An easy to use checklist and Model Document Library will help you expeditiously navigate your company into HIPAA compliance.

One thing we've found is that EVERY company tends to do things a little bit differently. The QuickStart Guide will get you started down the path of HIPAA compliance with the most crucial portions of the regulation. Eight (8) easy steps will take you through the compliance process.

#### Specific Features and Benefits

Understanding what HIPAA is and how it affects you is the first step towards HIPAA compliance. Then you must set out developing policies and procedures, forms and agreements, to meet compliance. Do you have the time and resources to go it alone?

#### Our QuickStart Guide will help you:

- Identify your covered entities
- Learn what Protected Health Information is
- Set up Policies and Procedures to deal with PHI
- Create a Privacy Policy
- Train your employees

The QuickStart Guide and the Model Document Library are CD-Rom based tools.

#### The Model Documents are designed for you to customize and edit as necessary to meet the individual needs of your company.

- The Model Document Library has every form you will need:
- Notice of Privacy Practices
- Minimum Necessary
- Business Associate Agreements
- Recommended Plan Amendment Changes
